CODE OF CONDUCT

For Swing im Spiegelsaal

Respect. Consent. Joy.

✓ Only yes means yes: you only dance with someone who agrees.
A no is always okay – no explanation needed.

✓ Either partner can end a dance at any time.

✓ Socials are for dancing, not for teaching: nobody gets corrected unless they ask.

✓ Beginners: Trust your gut. If something gets too much (closeness, tempo, rough moves), speak up or end the dance if you feel uncomfortable.

✓ Be mindful and considerate with newcomers!

✓ Classes and socials are not a dating scene.
Closeness in dance is not automatically an invitation for more!

✓ No aerials on the dance floor.

✓ Photos & videos of others only with their consent.

✓ Mind your hygiene! Fresh clothes, deodorant, a breath mint ;)

✓ Don't look away: support others or talk to us.

✓ We do not tolerate harassment, discrimination or boundary violations.
We take action and exclude people.

Everyone is welcome here!

Racism, antisemitism, sexism, queerphobia, ableism, body shaming, ageism, hate speech and any other form of discrimination have no place here!
